			 outcomes and deliver against shared goals. Good judgement, including when working under pressure. Ability to coordinate, prioritise and direct work with minimum guidance at times under pressure. Can assess and manage risks associated with sharing data and information, data security and intellectual property. Developed communication skills with the ability to present complex and/or sensitive information in an understandable way, using a variety of methods across a range of 		
			range of audiences.		
Advanced Public Health Practitioner	Range 4	Work with designated GP practices to support and guide vulnerable families to identify their own health and wellbeing goals and make healthier lifestyle choices to realise those goals, working within professional and ethical boundaries while promoting population health and wellbeing and addressing health inequalities. This will include understanding the limits to their practice and knowing when it is appropriate	Salary: £29,793	Salary: £32,602	Salary: £35,410

to refer people back to GPs or
other health
professionals/agencies.
Work in the context of
Medway's 'Joint Local Health &
Wellbeing Strategy' to improve
health and wellbeing and
reduce health inequalities and
focus on the delivery of
outcomes in the <u>Public Health</u>
Outcomes Framework, ensuring
adherence to professional
codes of conduct, occupational
membership codes, employer
behaviour frameworks and
practice standards.
Contribute to service
development and
implementation, including the
delivery of patient education
sessions that focus on key
health outcomes that meet the
needs of the population served
by Medway South PCN,
delivering presentations at
clinical team meetings and
ensuring compliance with
statutory legislation and
practice requirements,
including mandatory training.
Help families and individuals to
gain and apply the knowledge,
skills, and confidence that
enable them to be active
participants in their own care,
thus reaching their self-
identified health and wellbeing
goals and work towards
maintaining a healthy weight.
וומווונמוווווא מ ווכמונווץ שכוצוונ.
Demonstrate a commitment to
equality and diversity,
identifying service strategies to
deliver equitable and fair
services for users and
employees, challenging
discriminatory practices and

actively managing and promoting diversity. Act with integrity, consistency and purpose, and take responsibility for own persona development, ensuring that service specific knowledge and understanding is maintained and developed.	1	In addition to level 4A Sector Specific framework: Public Health Skills & Knowledge Framework	In addition to levels 4A and 4B Sector Specific framework: Public Health Skills & Knowledge Framework
	Requirements at thislevel:Qualifications:• Educated to degreelevel in relevantdiscipline (orequivalent), ordemonstrableexperience ofworking in a health orcare setting.
